GET FAMILIARIZED

CIC is known for its beautiful natural location and is nestled on the northwestern end of the Catawba Peninsula. We are just over a one-hour drive from Cleveland and its suburbs, less than an hour from Toledo, less than two hours from Detroit, Michigan, and just over 2 ½ hours from Buckeye country in Columbus, Ohio. The CIC has always been a family-friendly club with many multigenerational families making CIC their "home away from home." These families have enjoyed some of their fondest times at one of our pools, on the golf course, at the tennis courts or just watching our unparalleled sunsets while sipping their favorite beverage. The club provides numerous recreational offerings including an Arthur Hills Championship Golf course, three outdoor recreation-style pools, lodging, a full-service fitness center, numerous casual and some formal dining and bar options both indoor and on the lakefront. Our marina is second to none as we offer direct access to the Lake, a 320-slip marina with all the expected amenities and a highly skilled maintenance team to help keep your vessel on the water. Service is the key to all the amenities we offer. Our friendly and knowledgeable staff is ready to help no matter what your needs are or where you are on our over 300 acre property

HOUSING

Housing Arrangements: On property shared Rent: \$160-170/month
Space sharing: 2 people per bedroom, 5-8 people per house
