GET FAMILIARIZED

The State Park Resort consists of 4 guest lodges on a 73,000 acre park. It is a very rural tourist town surrounded by the beautiful Black Hills. You will have the chance to be close to nature. Custer is a tourist area that is bustling in the summer months. Nearby you will find the famous Mt. Rushmore, camping, hiking, swimming, hayrides, and trails. You will have the chance to experience the true American West in this small town which plays host to summer festivals, including their annual "Buffalo Round Up" in September. At this Wildlife Reserve you will get to see bison, burros, antelope, sheep, deer, and goats that roam!
