GET FAMILIARIZED

Prudential Douglas Elliman is offering exciting and lucrative commission based internship opportunities. Our offices are located on the famed Madison Avenue within the prestigious headquarters of Prudential Douglas Elliman. If selected, you will have the opportunity to develop your business acumen while potentially generating a sizable income. Assertive candidates can experience expeditious financial rewards that are essentially limitless!

Interns will be expected to provide marketing services support and coordinate a variety of administrative functions for office efficiency. Candidates must be able to work independently, identify and solve problems while proactively improving marketing support processes. While there will be daily administrative duties, the candidate will have the opportunity to learn new skills, handle projects, and progress to full licensure, if applicable.

HOUSING

Participants arrange their own housing. CCI can assist in providing housing leads.
