GET FAMILIARIZED

Moab is situated in eastern Utah in the western United States. The Arches and Canyonlands National Parks are located close by. It is a beautiful area with lots of nature and many recreational activities including hiking, biking, horseback rides, golfing, boating, fishing and whitewater rafting. There is no public transportation available, but there is a shuttle service to select larger cities such as Salt Lake City or Grand Junction, Colorado. In the summer the weather is hot, with average high temperatures ranging from 84 – 100 F. Low temperatures can range from 49 - 62 F. It is a small town with friendly people to help interns learn US culture and language.
